Hey all you poon hounds, are you ready to party? Yeah, you better be because I'm ready to get dick drunk! I've gathered together some of my other spooageaholic friends so lotion up that hard-on real good because it's going to be an all-night rager. Your boom stick is going to be star struck by the sight of effervescent Heather Starlet cuddling her cunny on RevSand's couch, I guarantee it. Then there's Emily Addison and her awe-inspiring air bags shagging herself silly, the feisty fuck doll Natalia Rogue toying her box, South American siren Melanie Rios beckoning you to cum closer, Lily LaBeau taking a load off of Bruno, yours truly really opening up and much, much more. Go on set, cock in hand, for a behind-the-scenes peek at Andy San Dimas starring in ANARCHY IN THE USA for Brazzers, choke it while checking out Aria Aspen and India Summer in Combat Zone's MOMMY, ME & A GANGSTA and get carnally kooky with Capri Anderson in Vivid's PEE-WEE'S BIG ADVENTURE XXX. Arouse your expectations for another titillating Twitterview with sultry spinner Trinity St. Clair, enjoy the second installment of the FOX Top 25 and, as always, brace yourself for so much more! Now show me how much you appreciate my efforts by spilling a whole lotta spunk for this intoXXXicating issue of FOX! See you inside!

THANK YOU, WHORES

Dear FOX Magazine: I only love two things in this world, my dog Red and whores. I learned my lesson long ago not to get myself emotionally tangled up with women and ever since I have gone about satisfying my male needs via pornography. It is a situation that suits me just fine and I have even come to appreciate with utmost seriousness the "ladies" that are willing to display their bodies in photos and videos so that fellows such as myself can eke a little bit of pleasure out of an otherwise bleak existence. That is why I felt compelled to write this letter. It's my

attempt to convey my heartfelt appreciation for the whores you employ. Thank you, gals. Even if a particular one of you does not make me hard enough to beat off (I can't abide fake tits, for example) I still thank you for the looseness of your morals.—*Jed in Biloxi*

NEVER ADMIT TO THIS

Dear FOX: I probably should not admit this being a grown man and all, but my guilty pleasure is watching that television program called *Jersey Shore*. There is that one chunky girl Snooki in it that runs around wearing a rabbit costume sometimes. She even calls it

a name although it escapes me at the moment. Laura? Lola? Anyway back to my point, why don't you feature a photo set of some of the porn actresses wearing different animal costumes? If not the entire costume, then maybe only just the mask? I have to say that I found it quite arousing when Snooki wore the rabbit head out to a nightclub and was dressed like a slut from the neck down.—*Marvin in NJ via email*

FAT CHICKS READ FOX TOO

Dear FOX: There are two things you should know about me right off the bat: firstly I am a woman and secondly I am what society calls

"fat." I have always struggled with my weight my whole life and as a result I was never very popular with boys. But then I learned the secret to getting male attention —by being as slutty as possible. I couldn't dress slutty because that would often time backfire and get me teased and ridiculed, but I could prefect my blowjob skills and put out whenever the occasion arose. Well I did both of those things as soon as I went away to college and I have to say that I found the life of a slut to be awesome! I got dates almost every night and I got laid all the time. I was even more popular than my roommate who was pretty and skinny and blonde but a real prude. Why I am writing to you is because I wonder if you might steer me in the direction or advise me how to get a start in porn. I know that I do not have the body type of the women who pose for you, but surely there have to be some men out there that

really, really want to see an oversexed fat girl get fucked totally senseless. I have already posed for some pictures here and there but I don't want to do any weird fetishy stuff, I really just want to suck cock and get banged. Please help.—Tami in Atlanta via email

FUCKIN' A, GUY!

FOX Magazine: You guys are fucking-A awesome!—K-Dog in CA via email

HE MEANS CURLY, DAMMIT

Dear FOX: Is it me or do fewer and fewer women seem to have curly hair nowadays? I am not a freak but I do have a thing for girls with long curly hair. Not wavy. When I say curly I mean curly. There is something so sexy about seeing a whole soft pile of silky curls laid out across a pillow, or gathering up a fistful of them and giving them a sharp tug. I don't mind things a little curly down below

too if you know what I mean. When is this whole bald pussy fad going to end? Is it ever? I don't need Buckwheat in a headlock or anything but I do prefer a pussy with a few pubes on it.—Neal in CT

IN DEFENSE OF PRINT

Dear FOX Magazine: I enjoy your magazine on a regular basis. Ever since I became a subscriber, my orgasms have been a lot more frequent and just better overall. I no longer have to spend hours online in secret trolling the internet for pics to turn me on, worried about cookies and viruses other such nonsense but I can just sit back and wait for the mailman to bring me some pleasure once a month. I have a nifty little hiding spot in my whorkshop so that none of my lady friends discover my secret vice. Which is way safer than running the risk of having my activities monitored online.—Larry in WA

PIXXX BY BLACKULA

Holy tit, Emily Addison is fucking hot! Her man-made whoppers may look as if they are meant to be man-handled but not so fast, Buster. As it happens, this mam-nificent creature only gets it on with her own kind on-cam. However, that fact is just a trifle that has no real impact upon her intrinsic value as masturbatory fodder. Being shaped as she is, Emily is a sure-fire shortcut to a blissfully blown load even if she can't be seen getting stuffed by a stud. It should be said that the way she takes care of her own needs is nothing short of sponge-worthy—most notably her two-handed grip on the long, blue giggle stick she uses to turn her vertical smile into a gaping grin. It's a sinfully gratifying experience to strangle the serpent in tribute to Emily's snake charming skills. Watching her undulate to orgasm is sssso ssssexy. 🦊

BRAZZERS
PORNSTARS LIKE IT BIG.COM
DIRECTOR
BRANDO
SLUT 'N' PUPPET
ANDY SAN DIMAS, JOHNNY SINS
PIXXX & ARTICLE BY JEFF HUBRIS

From her start four years ago Andy San Dimas was a very accomplished porn animal. If porn industry awards really meant anything she would have won everything at least four times over by now. She won the 2011 XBIZ Female Performer of the Year award and shared the AVN for Best Actress. She also won an AVN for best POV Sex Scene with Bobbi Starr and Erik Everhard in 2012. She always lays it down and is never, ever lame. Just a super good-looking, sexual athlete. A natural.

Director Brando and crew have just returned from shooting the pick-up this morning on the streets of Hollywood. San Dimas is tricked out in punker-cum-goth drag and is keeping very much to herself. Brando shoots a sequence of her spraypainting anarchistic slogans on the walls of the darkened garage inside the opulent Encino, California Brazzers shoot house. She sits in a chair looking straight ahead.

"I'm very tired," she drones. "I have a fucked-up sleep schedule now because I work a lot and do feature dancing. I get really weird sleep hours. The last place I danced was in Pennsylvania. I do one city at a time and I fly in and fly back. The dough is good without fucking anybody. It's like doing a boy/girl scene but you're just dancing and getting drunk instead."

Never once have I ever heard a porn director or any male talent complain about Andy San Dimas in any way. People criticize and make sly, sarcastic remarks about a bad "performance," a girl being a fucking bitch or just plain looking like shit. It happens all the time, even to the so-called A-listers, of which she is one.

"She's amazing, dude," Brando says respectfully. "When the camera turns on she's amazing and another thing that's amazing is when she comes on my set in the morning and sits up in the makeup chair. You could shoot her right there. She's already hot, her face isn't all fucked up and she doesn't need a lot of makeup. She's got this natural beauty about her, you know? And today I realized something about Andy that I didn't really know... She's kind of a shy girl."

ANDY SAN

DIMAS: I'm probably still doing about seven or eight scenes a month. But when I say "scenes" I mean like feature parody movies where I'm like three days on the movie. I did a music video for this band Asking Alexandria and I also did this movie that won Best Director at Cannes, *Drive*. Bobbi Starr is in it. XBIZ award, Performer of the Year... That was cool, I didn't expect that. I didn't think I deserved it because there are other girls who've been around longer than me and have worked a lot harder like Bobbi and Kristina Rose. I've been working hard but I just feel like they've been around longer and they deserve it a little more. I don't know... What's my fucking life like? It's much more romantic than my porn life. Porn is my fucking life. My porn fucking life is always crazy. Last week I did *American Dad XXX* and I had to have sex with Anthony Rosano when he was dressed up as an alien and that was creepy...like I couldn't look at him. He came over to me during stills and was touching on me like the alien and I was, like, Uh.... I think I felt my vagina shrivel up and fall out of me. I tried not to look at him the whole time.

Upon completion of the spray can exhibition, Andy heads for the dressing room. Brazzers gives Brando a once a month opportunity to do a project of his own. After having just shot a 69-page script over a period of eight days he's looking forward to keeping the dialogue to a minimum. *Anarchy in the USA* is for Brazzers' pornstarlikeitbig.com site and employs a relatively simple plot set-up. "She's a hardcore punker chick down on Hollywood Boulevard begging for money," Brando explains. "Then Johnny Sins comes along and gives her a little money and she notices the bulge in his pants. That's pretty much it."

Brando gets Andy out of her get-up and shoots her using natural window light as she showers and washes her hair. The heavy makeup and eye shadow wash away too, but no prob. The all too common transformation from heavily painted porngirl mask into scrubbed down, medieval washerwoman face will not take place here. She sits on the corner of the sink and quietly puts on a turquoise outfit and stockings that will serve as the staging area for the sex scene. The fun part will take place in the very popular master bedroom, a preferred location for so many of the romantic and semi-romantic genital interlockings that have helped make Brando and Brazzers some of today's most popular leaders in the world of modern erotic behavioral research.

This movie is Brando's opportunity to let his freak flag fly, featuring a high energy bang out and only one meaningfully spoken line. "After he fucking nuts on her she picks up her punk clothes to leave and he says, 'Where the fuck are you going?'" Brando says. "In reality he's taking her in and wants her to stick around for a while as all of us would, because she's going to fuck the shit out of him."

Wet-haired Andy sits on the dressing room floor in her outfit and a pair of black Ugg boots. From the beginning she was in demand and hit it hard, enduring the penetrational challenges of the gonzo meat grinder, taking one for the team. I ask about her vagina's reaction to the stepped up intensity of the porn industry. "My vagina kind of got used to it," she answers thoughtfully. "When I first started working it was like swollen and hurting all the time and it got ripped a couple times. I feel like it's stronger now. It's not like it's looser now, just stronger."

Brando summons her and Johnny Sins, who has been quietly chilling on a sofa, into the bedroom for the rundown. Lights and cameras are all in place. "The only thing we have to make sure we implement is cock worship," he instructs. "When we are running video we're going to break some shit in here, San Dimas! We're going to have these fucking lamps pushed over! We're going to go fucking crazy!" There is a direct correlation between the disposable income of a porn company and their willingness to trash a set. Oh, wait a minute, Brazzers owns this whole fucking house. Not used to this kind of thing. Never mind. What a weird place.

Brando points to a lamp. "This is going down!" he shouts. "Fuck these lights, they're rentals. The main thing is that now she's all pretty we have to bring out that animal in her, so with the positions we can throw a little choke on her, maybe a little hair pulling and some nice spit."

Andy reacts immediately: "Just don't spit in my mouth," she says to Johnny.

Brando quickly picks up where he left off. "But lick her butt hole and make sure we see it. I'll let you guys go for it, alright? This is where we make our money right here."

Stills are shot. All systems go. Brando shoots a short make-out session, pussy eating and the BJ, then calls for more porn-set destruction. All of a sudden lamps go flying and tables are upset. Brando throws his hands up in the air in victory yelling, "Finally! That gives me a BONER!"

San Dimas takes this opportunity to ask Brando if he cares about her ripping the lingerie she was supplied.

"No!" he answers without hesitation. "Whatever is mine is yours."

JOHNNY SINS: This is the first time I've worked with her. She's hot. That's the one good and bad thing about working for Brazzers. They hire all the top girls but you work with them over and over and over again. It's always good when you get new pussy. And then there are the ones where you put your dick in them and there is like no reaction at all. And I love it when, before you even put it in, they start moaning when the director calls ACTION! If they're a paycheck performer it makes it hard on me, but she likes to fuck and it makes it easier for everybody. You don't have to tell her to look happy for her stills.

BRANDO: When I had her down on Hollywood Boulevard walking the streets with the "HUNGRY PLEASE HELP!" sign she was really shy and it was really fucking cute. I had to keep directing her and telling her that she was a hardcore punk rock chick and to give me some attitude here. She was like hiding her face and that just goes to show you that she's not a jaded pornstar. She still has feelings and she still gets shy. I've seen her in *FOX* a couple times and she always looks fucking great. The face, and she's got a phenomenal butt—hole—not that I'm into that—and a solid vagina, you know? It's not all beat up. She takes care of it. I've seen girls come on set with a beautiful pussy and six months later it's all beat up. Some of them are on drugs and then of course some of them are pleasers who want to just please the director, who will refuse to say cut when they're just getting pummeled. That will have an effect on you're RBC's, I call them—your roast beef curtains. Always take care of the RBC's, you're going to have them for the rest of your life.

As planned, the turquoise lingerie is destroyed, getting totally ripped off halfway through the bang out. Ladies and gentlemen, please fasten your seatbelts and enjoy the sexual stylings of Andy San Dimas and Johnny Sins. It's a sextastically insane journey through the classic porno fuck positions, complete with furniture breakage and wall-to-wall pornographic lust, climaxed by an expertly executed jizz blowing experience.

"Johnny, can you do a left-hander?" Brando asks, trying to accommodate the camera angle. "You're going to jerk it off in her mouth and we'll get the pop shot right here. Andy, you just enjoy and swallow."

Johnny Sins, the ultimate pro, produces the load almost immediately. Brando shoots the critical "Where the fuck are you going?" dialogue piece and it's over. San Dimas collects herself and poses with Brando for some pictures. A sports analogy works here. She'll drag herself to the stadium tired from the road, but by game time she looks marvelous and it's all business, and she pulls out the win. No one is surprised. I even get tired of hearing myself blow sunshine up everyone's ass about Andy San Dimas, but she always gives 110% on the field of play, laying it down so hard every time. Sometimes you just have to tell the truth. She never lets up. Just a total knockout. 🐱

HEATHER STARLET

RevSand's
PORN GIRLS
WHO SLEEP
ON MY
COUCH

piXXX by RevSand

After a fun night of ho-ing around, Heather Starlet can't sleep. Despite the relative coziness of the couch she is crashed out on, ZZZ's completely elude her. XXX's, on the other hand, do not. Surrounded by several of the dirtiest issues of FOX ever printed, Heather feels a titillating tickle inside her twat even with her eyes closed. Finally she figures that maybe if she flicks her bean for a bit, tiredness might come after she cums. So Heather sits up, stretches and spreads her legs. She shoves a toy between her pussy lips and turns it on. It buzzes and hums, causing her to smile and squirm and unleash a few moans. Suddenly, she has an explosive O that turns her snatch into a sticky mess. As she ducks into the loo to swab off, Heather drags a FOX along with her—just in case she decides to jill off on the john. 🐈

INDIA SUMMER, ARIA ASPEN,
RICO STRONG

PIXXX & ARTICLE BY JEFF HUBRIS

A lot of useless information can be learned about a porn girl by observing how she packs her porno suitcase. You can usually depend on an explosion of wadded-up, used slut clothes and shoes to haphazardly surround the general open suitcase area. Personally, if I were a porn girl this is the way I would handle things too, because in so many ways I am your basic, disorganized slob. So I get it. Once in a while though, you run into a true neat-freak in this business. Aria Aspen sits cross-legged on the dressing room floor surrounded by her clean, impeccably folded and carefully laid out porn-chick garments.

2012 AVN "MILF Performer of the Year" winner India Summer has yet to arrive to complete the stepmom/daughter team that will bang out Rico Strong today. Meanwhile, Aria remains quietly sequestered in the dressing room. She's an ex-nurse from Chicago, and talks about some of the issues that underlie her neatness disorder.

"Really, I'm just submissive, that's me," she says. "I'm also very much of a control freak, as you can see here by my neatly laid-out clothes. Not being in control and giving someone else that control makes my heart race and gets my mind going. *That's* what's taboo for me."

India Summer sashays in with suitcase in tow and a few freshly dry-cleaned items over her shoulder. Wow man, her stuff isn't trashed either. This totally blows my porn-girl slob theory. It's completely out of the ordinary to get two of these super clean, organizational freaks in one day. What the fuck is going on here? Let's cut to the chase.

"I like device bondage and, yes, I'm a sub," India says. "But I've learned to adopt my dominant side a little bit and that has grown since porn, that's for sure. But I still love mish. I like the eye contact. I love being able to grab. I like a good slow fuck and then I like to be fucked really fucking hard. So I play both sides."

So based on these two girls alone we can conclude that firm subs and maybe even switches like to clean up, because they must. I'm all for it. Today's "gangsta" Rico Strong arrives and esteemed director Juan Cuba breaks down the plan.

"This is called *Mommy, Me and a Gangster* with the beautiful India Summer and the lovely Aria Aspen who is semi-new to the business. We're going to have some fun. They're playing a stepmom and stepdaughter. The stepmom is actually fucking the daughter's gangster pot dealer. She's going to need discounts on her pot from now on."

Frankly, I'm appalled by this lack of moral compass. Combat Zone has been at the forefront of combining several "racy" pornographic motifs into one, super high-powered prurient package for a while now. For instance, here we have the very popular interracial adulteration of the white girl (two of them actually) by a gangster concept crossed with some stepmother/stepdaughter action, superimposed upon a lifestyle based on the consumption of illegal drugs! Something has to be done about this drug problem, I tell you. Shocking!

"I can't wait till you guys...oh my god that's gonna drive me crazy," Cuba says excitedly, "Interracial sex to me...it is like the best porn ever."

He shoots some teases on the girls and decides to start things out by having Aria walk in on stepmom India, who has a gangsta fetish anyway, blowing her weed guy.

"Mom, you're fucking my weed guy? Really?" she complains.

India is a super swinger in real life, with an actual marriage and all, so this dude sharing thing is a cinch. She's originally from Iowa, but here in Cali sex is CRAZY! Rico Strong pumps up the volume.

INDIA SUMMER: I'm from Des Moines, Iowa. We're filthy! I've been doing porn for almost six years now. I stayed in Iowa for the first few years, I had a job there, and I came out here infrequently. So I would say three years solid, and very, very solid. I'm 36. And nope, no drugs, I'm clean! I was thirty when I started. I have a teaching degree. I was working at a hippie store while I was finishing school, and then I did finance for the government for six years. My husband and I have been together for fourteen years now, and for a long time we'd been swingers, and filming our own videos and watching them for fun and we thought, Wow, we could do this for a living, fucking really hot people and make a living at it. Then I thought, Well that's insane, we live in Iowa and that happens in Hollywood, it's never going to fucking happen. But MySpace was just coming out, and I put out there that I was available for it, and I had people say they would shoot me if I came out to L.A. So first I took a job in Indiana and did a horror/porn flick that VCA was doing and it was godawful, but I met some key people and that got me a little further towards L.A., and here I am. And I'm still married!

Sexually I'm a simple girl. I like a big, fat dick in my pussy and a toy on my clit. Then it's for sure there's going to be some cumming. But I've gotten a lot filthier than I ever expected to be. I never expected to squirt. That was something that was completely new within the first year of porn. And spitting. I never thought that BDSM would be something that I would be interested in, and I fucking love it.

I have a favorite toy. It's like a small Hitachi wand. And I like the bathtub to get off, that's where I like to masturbate if I have time. I'm too busy fucking most of the time to masturbate. It's a little bit harder for me to cum when I'm working, but it does happen, if I can relax enough and my partner and I have enough chemistry, then I don't have that much trouble.

I also like girls. In terms of eating pussy, the girls can be as impressive as the guys. I'd done anal before I got into porn a few times, and my husband was the best, but the other times were like, oh, I got wasted and had some anal sex. I really started enjoying it later in life. In porn I've really been selective about it. I don't really advertise it anymore.

The other day Vivid called and said, Can you do an anal? And I said, Well, who is it with? The company and the talent matter. If I know they're not going to fuck my asshole out and that's not their mission, then I'm down with it, because I'm not down with getting my asshole fucked out. I like anal sex for the purpose of anal sex and enjoying it, not for being in pain, and so I had a fabulous anal! Getting fucked in my pussy is less stressful for me though, because I'm always a little paranoid with anal. It's a very trust-based arrangement that you're going into on-set, and that's nerve-wracking. But with your pussy you always know it's going to be a fabulous time!

I met my husband and I was like yes I will settle down and then we got the freakiest that we've ever been. My husband is ex-military. He's a pretty basic guy. We both had jobs in Iowa and then when I decided to do porn I was like I couldn't go out there by myself so you have to quit your job too. He was going to work on my website and deal with all of that jazz. He'll deal with that side of me and I'll deal with this side of me.

I prefer big fat cocks. That's just my preference. I like dick. I like dick anyway it comes but for me I love girth and I like a little bit of length.

ARIA ASPEN: I'm from the south side of Chicago, I'm twenty-two and I've been doing porn since March 2011. Before that I was a nurse in Chicago, and I quit because I hated it. I realized that I had gone to school for something that my mother wanted me to do, and not what I wanted to do. So I quit. I got into porn when I was eighteen, when I did some solo and girl/girl content for a website. I've always had a wild side sexually. You can't really tell a lot of people you're into getting your ass beat in your personal life, so I figured porn was a way to further that interest. I'm very submissive personally. It's not necessarily the process of it, because everybody processes pain differently and pain is relative, so it's the release of control that turns me on. I like girls too. There have been a few guys that have impressed me, but I think when it comes to eating pussy the girls outweigh the boys. On the porn side it's hard to tell, because with the guy/girl porn it's a lot of staying open, and the guy doesn't get much of an opportunity to really get in there. But with the girl/girl lines they're kind of, like, Do your thing and we'll catch it when we can. With guy/girl porn they're stopping you for stills, and telling you to move your leg this way, so they kind of take the romance out of it. I don't really think it's a male or female who's best at it kind of thing, I think it's more of a passion thing, you either like it and you're good at it, it's like blowjobs, you learn the skill, and you want to be good at it, or you don't really care. I've never done a DP. I mean, I've been having anal sex and put toys in my vagina or the other way around, but no, not two dicks in my holes at the same time, but it sounds like a good time. I prefer getting fucked in my pussy though, because you don't really have to worry about it. But with your ass, you have to worry about tearing your asshole or how big is his dick and was my butt plug the same size that I used this morning? There's so much more thought and preparation that goes into anal, whereas you can wake up in the morning and just have normal sex. At home it's different, because I would probably love anal more personally, because I don't have all the worries I have to have about it when I'm on set... In my ass I would like something that is not novelty sized. In my pussy, probably something that is not novelty sized again but definitely larger than something that would go in my ass.

Toward the end of the bang out, the ladies get on top of each other so the gangsta can go easily from one pussy to another. I've been using this move on the gals down at the women's shelter for years and it works great. It's called a "stack."

"Hey, the stack looks cool!" Cuba remarks. "Okay, this is it. This is the big finale. For the pop shot you guys put both of your faces together. Classic! And after that, Rico, you say suddenly that they get the family discount now. Remember to stay in character!"

Gangster load is delivered upon the girls and it's all over.

Rico morphs from sullen bad-ass back to the very personable, upstanding young man that he is in real life.

On occasion, these porn scene casting arrangements don't suck in spite of themselves. Amazing synergy here today! Art is taking place. Taboos are broken as morals deconstruct. Porn fucking subverts plot and narrative, for the better. Porno is anti-art art. Dada rules rule. Meanwhile, in deep space, the largest supernova ever recorded explodes. 🐱

dana dear-mond

While many girls change significant others as frequently as they change thongs, Dana DeArmond steadfastly remains the Internet's girlfriend. And although she hasn't been very faithful in the traditional sense, she has been cunt-sistently doling out happiness online one hard-on at a time for quite a while now. She's gorgeous, smart, tech savvy and a filthy fucking slut...what more could be wanted of a woman? The only thing more open than her mind is her ass—that starfish seems able to stretch wider than the Pacific. Dana gets her biggest kicks out of getting others off, which is why she still reigns supreme in the sex industry. She lives to be covered in cum, whether it's drizzled on her from the gash of a girl, splattered across her courtesy of a guy or some gooey combination of both. Dana is one of the hardest working whores in ho business and for that she deserves a lotta liquid love. 🐱

**ON THE SET
XXXCLUSIVE**

**PEE-WEE'S
XXX ADVENTURE**

**VIVID
DIRECTOR
B. SKOW**

**SLUT 'N' PUPPET
CAPRI ANDERSON,
TOMMY PISTOL**

PIXXX & ARTICLE BY JEFF HUBRIS

For the last shooting day of Vivid's *Pee-Wee's Big Adventure XXX: A Porn Parody*, director B. Skow will be judiciously tying together the somewhat modified "plot" of this epic, climaxing with a final love scene between Tommy Pistol (who, by the way, IS Pee-Wee Herman) and the character Lizzie, played by Capri Anderson. I have to give it up to Mr. Pistol, who is resplendent in Pee-Wee attire and an official wig specific to the great one's longhair period. Aiden Starr is walking around in red underwear bottoms talking on a cellphone. A naked, life-size, plastic love doll sits in an office chair gazing quietly into space.

Capri Anderson appears, then vanishes up a stairway that leads to the makeup room. As anyone who hasn't been sleeping through the last year or so knows, she played an integral role in, as of this writing, one of the last, great Charlie Sheen meltdowns at the Plaza Hotel in New York City. Allegations flew. A tabloid feeding frenzy ensued. Time has passed. Here she is.

Suddenly she reappears in a bare midriff top and denim short shorts, and agrees to sit down and talk. I cut to the chase and ask about the ordeal. I am given a long silence and a blank stare. More silence. This subject is emphatically not open to discussion. Then all of a sudden she opens up.

"I've spent a lot of time with lawyers this past year," she says quietly. "Can I say that? You can quote me on that. Life is a progressively changing movement isn't it? It was crazy. I actually went into hiding for quite some time. I just disappeared."

Up to now my acquaintance with Capri had been solely from the anti-heroic publicity blast associated with the Sheen event. In person her personality and physical appeal are considerable. Oh, the tribulation. Life at party central can have a downside.

"Even from my own family members I was cut off for quite some time because there was such a frenzy of my life," she continues. "So I couldn't really talk to anybody. I'm like a kid! I missed Halloween last year. I was really upset. It was a very hard time for me and I lost a lot of money from obviously not working. It was a huge expenditure, especially when you have so many lawyers."

B. Skow shoots dialogue with Tommy, the love doll, which has been dressed, and Capri. Then there's another scene in which Pee-Wee throws a tantrum opposite Evan Stone while a dude and two chicks bang it out softcore on a sofa. I ask B. Skow to shed some light on the proceedings, if possible.

The idea here turns out to be a convoluted twist on a plot point in the original movie in which Pee-Wee searches for his bike.

"Aiden Starr plays the bike," B. Skow explains. "Pee-Wee makes a doll and he loves it more than anything like he loves his bike. The doll gets stolen like his bike gets stolen and he goes on an adventure to the bar and all of these different places looking for the doll. He finally finds the doll and thinks that it's real, but he's in love with it and whenever he is alone he sees it as Aiden, who's of course alive, but when there are people around she's a doll."

There's more...but I'm already lost. Uh, let's move on. B. Skow calls Capri over to shoot a solo striptease. Electronica plays from a portable blaster while she does her thing. There is no question as to her disrobing expertise. As my old geology teacher would say when describing any large-scale terrestrial volcanic event, VERY IMPRESSIVE. When she's done I ask about her private sex life and her personal orgasm management protocols.

"In my private life I don't generally get fucked, but sometimes I fuck people," she says. "I mean we all get fucked once in a while. Very simply put, my clit makes me cum. I have several Lelo vibrators. I should sign an endorsement deal with them. They're really popular at all the conventions. They're really girly-like."

For me anyway, a never-ending source of interest is a starlet's personal sex life, the off-camera erotic cabaret that speaks of a porn girl's TRUE INTIMACY. We are for the most part, already familiar with the corresponding "professional" sexual behavior that is recorded on video, at least. Right?

"My personal sex life is pretty dry these days," she says meekly. "Because I'm a loner, traveler, vagabond on the road all the time. Very much alone. It's a lonely life. That's such a shitty answer but it's true."

I call bullshit on this one. Give me a break. I have problems visualizing a lack of road pie here. Yeah, right... I'm just sayin'. That potential puffery notwithstanding, Capri was originally uninterested and evasive, apparently considering me typical porn journalist scum (guilty!) but for whatever reason decided to be friendly and forthcoming. Those of lesser stature and beauty have so many times judged me unworthy and dismissed me forthrightly. But Capri Anderson is one-hundred percent Irish [*Editor's note: Be still, my beating heart!*] possessing dual citizenship and this is not lost on me, because when Irish eyes are smiling they steal your heart away, etc. etc. She knows her way around the pub and has no problem talking to the commoners because she's one too. Hey, we're all just trying to make a living here!

Pistol has donned the official Pee-Wee Herman bow tie get-up and sits with Capri while B. Skow prepares the set for the final blowout. The soundstage bedroom is tricked out in pink of course. There's going to be a life changing kiss for Pee-Wee and then a blowjob that leads to more serious things.

"Do you want her tits out for the BJ?" Tommy asks, "Yeah," B. Skow answers immediately. "Leave her skirt up too."

It's late at night after a long shoot day and porn set malaise has set in. It's time to knock this puppy out. The happy couple stand in flirt position next to the bed waiting for the high sign from B. Skow.

"Kiss him and then just drop down and suck," he says. Video rolls. Capri Anderson drops to her knees and inhales Pee-Wee tube steak. It's only a movie.

CAPRI ANDERSON: I've been in porn five years. I started when I was eighteen, on the Bang Bus as many girls do. I'm tri-coastal but my parents illegally immigrated from Ireland, they fled to New York. That's a long story. I am 110% as Irish as Paddy's pig, as my dad would say. My whole family is from Ireland but I get Russian a lot. I just died my hair red recently. I've never dyed my hair red before. So we lived in New York for quite some time. My dad stayed there and my mom moved to Miami with me and my one sister. I have three older sisters. She was married and I grew up in Miami so I lived in all places. I lived in Brooklyn recently for a year. A lot of people would say that I was actually a prude before I got into porn. I was definitely not that hot girl in school. Definitely, the exploratory side of my sex life started in porn. Yes, we've been pushing boundaries for years but I think that comes with age. Even so it probably would've happened either way. I think I just embrace my sexuality more than the average individual maybe. What twenty-three-year-old doesn't like to drink and party? If you're Irish you can hang. That's the only difference. I can wear my high heels all night long and all the way home. In five years I've done a lot of movies. I been in a ton, not necessarily featured though. I've been in lots and lots of scenes.

CAPRI: When I started it was very *Zack and Miri Make A Porno* actually. I started with a boyfriend. We started together because we were broke and we had to pay our bills. I was in college on my second year and had a huge amount of debt and we lived in our own place with our friends who bailed out and we had this huge amount of rent to pay. We would always look on Craigslist for extra work and we would always see the same advertisements where couples could make such and such amount of money in a day, you know? So eventually we were like, Okay we're going to shoot a porno and nobody is going to know about this. But of course little did I know that my first porno was going to be on the Bang Bus. It was in a van. I had always heard about the Bang Bus growing up and in my mind I had envisioned a little short yellow school bus with big huge strapping black men and lots of little girls and just huge amounts of cum everywhere, so I was sure I wasn't on it, but apparently I was wrong. Also, little to my knowledge, it was one of the most popular websites for boys in Miami, so everybody found out within a couple days of the posting and I have five siblings, two of which went to school with me. It spread like wildfire as most wild stories in my life do. It was with the boyfriend and so once everybody in my family found out they just kind of like cut me off, so then we just kept doing pornography at that point because it was good money for us and it was very easy because we were like in it together. It ended up working out and I'm back on base with my family and they're all super cool. I'm the youngest girl, so...

CAPRI: I'm working on a lot of other things. I write a lot. I do a lot of poetry and stuff like that and I dance. I've been dancing my whole life. I'm not the best feature dancer. I'm not great on a pole but I do my thang. I just dance. I dance everywhere between Canada, Chile and all these places. You know what gets me off? Chemistry. Definitely, it's all about chemistry. Sensuality and the art of seduction. You have to be a player. You know, like someone really suave who doesn't even try is David Duchovny in *Californication*. My porno sex life is few and far between. This is my fifth Vivid movie and I have three scenes per movie and you're here on set, you see how it is. It's not, like, sensual, beautiful, lovemaking, passion driven sweaty sex, you know? When I used to be with my boyfriends for example, we were totally exhibitionists, especially after we got used to being on-set together. It was a great time all the time. But it's different with a stranger. You just like walk up and it's like, Hey, what's up? Especially if it's with one of those dudes standing there whacking off I'm like, Whoa, nice to meet you! I was gonna shake your hand, but okay... It's just weird sometimes, but there are those male performers who are very much gentlemen.

“When it was confirmed that I was doing it,” says Tommy, “I just went out and got the movie and watched it and whatever YouTube clips that I could. He has four different voices that he uses but the one he normally talks in, the nasal one, was the one that I had to try to get. Because I was saying so much in that voice it was just really hard getting the words out at times and getting used to doing it. So that was the big thing, the voice. I would stand in front of the mirror and just try to get that voice down.”

It's a lovely fuck session. Tommy Pistol is THE MAN. Capri delivers a fabulous bang out. She blows to a pop from kneeling position, where it all began. “That was awesome,” says Tommy. “She's a hottie and that was a first. A happy first.”

And the porno parody ridiculousness train marches on. We here at *FOX*, to be frank, are not and never were fans. We, like the majority of our readers, prefer our porno as undiluted by non-pornographic effluvia as possible. If you are one of those who, for whatever reason, just loves their porno viewing time watered down by long periods of non-pornographic production value, there's a lot out there for you. The last few years have proven that parodies are good porn business. This is an immutable reality. I don't know what to do about our world going to hell in a handcart. I wish the hell I did. Adapt or die.

Capri wipes down with paper towels then engages in a crazy person dance with one towel in each hand. Hair flies amidst mid-air jumps and extreme voguing. After taking a facial cum blast most girls hit the shower ASAP but Capri Anderson is **HAVING FUN!** Look at her go! Whatever all this means, it sure beats the shit out of the customary moping, cum glazed, walk of shame to the shower. There's a pattern here. Smiles work for us.

The Twitter Interview

@TrinityStClair

By @Gabriel_Lan

Ever heard the expression "big things come in small packages?" Well, lots of porn directors, producers and fans know that to be 100% true when you mention Trinity St Clair. This girl is TINY. She might weigh ninety pounds soaking wet! But she's a powder keg of pure excitement! Possessed with an uncanny ability to take on enormous cocks that seem to defy the laws of physics, "Tiny T" and "Little T" are willing to take on any and all comers. It's not all about the cock with her though. Trinity has a softer side too...and a true love of pussy! She's definitely an equal opportunity lover, both in front of the camera as well as in her personal life. To top it all off, she has THE prettiest smile in the business, and is just one of the nicest, sweetest girls you'll ever meet. At almost 19,000 Twitter followers, her fans would all say the same thing too.

@Gabriel_Lan

Do you have a porn idol? Someone you aspire to be like in the industry?

@TrinityStClair

Yes! Belladonna and I also am a big fan of Julia Ann!

@Gabriel_Lan

Really? Have you ever met either? You'd like to have a similar career, with a similar amount of longevity?

@TrinityStClair

Yeah! I met Julia Ann. She's my friend, too. Love her to pieces. She has done a lot for me such as directed me to certain directors

@TrinityStClair

some of whom I am now close with, such as Miles Long. I want a long career in the business!

@Gabriel_Lan

For a tiny girl, you've taken on some monster cocks. Were you worried the 1st time you were faced with one of these gigantic dicks?

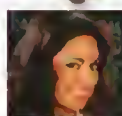

@TrinityStClair

No, I like the challenge! Plus if it's anal, the dick just slips right up there =)

@Gabriel_Lan

So, you find it easier to take "the big ones" anally?

@TrinityStClair

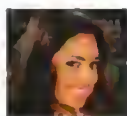

Oh, yes... Absolutely! The booty seems to be a black hole!

@Gabriel_Lan

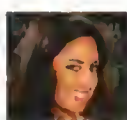

You've done some gangbangs, but no DP yet. Is that something you've got planned to challenge yourself with?

@TrinityStClair

I think I might want to try double penetration in my personal life first. How embarrassing would it be to get on set and not be able to do it?

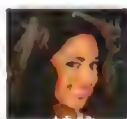

@TrinityStClair

Then when I actually do it on camera, I think I want it for my own website.

@Gabriel_Lan

Do you have a launch date for your website yet?

@TrinityStClair

It's still in the works. I have found a webmaster though, Pornstar Platinum. Soon, I hope :)

@Gabriel_Lan

You have an affinity for speaking in the 3rd person on Twitter. Is that because "Little T" and "Tiny T" like to have their voices heard too? LoL

@TrinityStClair

I think it adds character to who I am and my body parts. I'm fun and easygoing so I like to talk about myself that way too...

@TrinityStClair

kinda like being my own PR lol

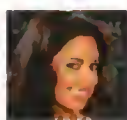

@Gabriel_Lan

I understand "Little T" and "Tiny T" have different preferences regarding cock sizes too? Who likes what? LoL

@TrinityStClair

I can take big and huge in my booty compared to my vagina. I guess I'm backwards, but that's okay because

@TrinityStClair

when a dick gets Little T they are one happy man, let me tell you! Because it's sooooo tight!

@Gabriel_Lan

With your Italian descent, you could easily be in a Jersey Shore parody, but you're definitely a California girl, right? NOT a "guidette?" LoL

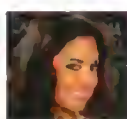

@TrinityStClair

Born and raised Cali style! Jersey Shore... it's a joke! Blahhh

@Gabriel_Lan

Tell me about your "status" with fellow adorable beauty Riley Reid. What's the real story? Friends? Lovers? Friends with benefits?

@TrinityStClair

Riley is my love. She's my girlfriend. We have a relationship like no other. We're each other's better half when it comes to females,

@TrinityStClair

but we are available to any guy as long as we are each other's only girl.

@Gabriel_Lan

That's an interesting relationship... How did you two meet?

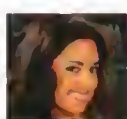

@TrinityStClair

There's no such thing as a normal relationship in our industry. We met when she came out here to shoot in July.

@Gabriel_Lan

LoL I agree... no normal relationships in the industry really. You two seem to have a really healthy relationship actually. Obviously loving.

@TrinityStClair

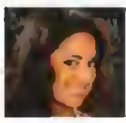

Yes that's what makes us different... I'm not the average porn girl.

@Gabriel_Lan

You are most certainly NOT the average porn girl. Aren't you, much like myself, a hopeless romantic? When does being a romantic really suck?

@TrinityStClair

Yes, very much. I'm old school too. What I would do for a guy to pick me up with flowers, take me to dinner and a movie, the whole shebang.

@TrinityStClair

But I'm more about having sex with now! LoL

@Gabriel_Lan

How did a Cali girl like yourself become such a big Philadelphia Eagles fan?

@TrinityStClair

I lived in Philly for 3 months and just became a fan.

@Gabriel_Lan

I'm surprised you aren't a Raiders or 49ers fan, being from North California and all.

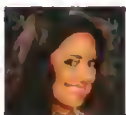

@TrinityStClair

Nah, I never really liked either of those teams.

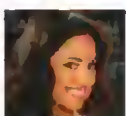

@Gabriel_Lan

What's something you love to do away from work? Any hobbies? Things you do just for fun?

@TrinityStClair

I am a homebody truthfully, but I do love dancing, traveling, shopping and anything that keeps me occupied.

@TrinityStClair

I can get bored easily and will turn to my phone for entertainment

@Gabriel_Lan

Have you thought about taking your love of dance to the stripper pole then? LoL

@TrinityStClair

I don't like the thought of chasing after dollar bills. Fuck that =P

@Gabriel_Lan

What sorta entertainment do you turn to your phone for? Are you a Words With Friends or Angry Birds player or anything like that?

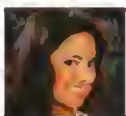

@TrinityStClair

Twitter, of course, silly =P ... Plus the tons of emails I get.

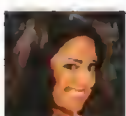

@Gabriel_Lan

For the other drivers out there, how dangerous is it to cut off a red-blooded Italian girl with a BMW that's paid off in traffic?

@TrinityStClair

I have intense road rage! Thank God my cars paid off because I dare the BMW to hit me!

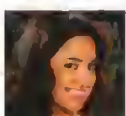

@TrinityStClair

I could care less because my club and brass knuckles are in the trunk.

@Gabriel_Lan

LMAO! Do you get road rage often? Riding people's ass and flipping them off?

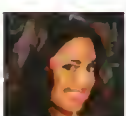

@TrinityStClair

I'm actually a safe driver, I just hate L.A. drivers. They are too arrogant. Especially BMW drivers lol

@Gabriel_Lan

Since I know you were thinking about this, did you ever get yourself a blow-up doll so you could ride in the carpool lane?

@TrinityStClair

No, not yet lol. Plus someone stole my idea and used a skeleton from Halloween! It was on the news! lol

@Gabriel_Lan

Do you ever go to the ATM and NOT think about something dirty? (I wonder what percentage of "civilians" even get that...)

@TrinityStClair

It makes me giggle. I start thinking about every scene.
I know my booty is clean =)

@Gabriel_Lan

Did I hear somewhere that you only eat 1 kind of protein?
Are you a vegan? Vegetarian?

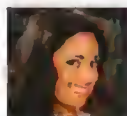

@TrinityStClair

I'm more of a vegan, but I do drink milk.

@Gabriel_Lan

It does a body good! You have one of the best smiles in the entire history of smiles. Just seeing it makes me smile. What makes you smile?

@TrinityStClair

Life in general, really. I love my life and I'm very grateful for it =)

@Gabriel_Lan

You're a regular at Pornstar Karaoke on Tuesday nights in Hollywood.
Do you get up and sing every time? What songs do you like to do?

@TrinityStClair

Sometimes. I must be having a good time to get up on stage.
I usually go with "I Kissed a Girl" or "S & M."

@Gabriel_Lan

You made an appearance on the Maury Povich Show earlier this year.
Were you the father??? LoL seriously, what were you doing on there?

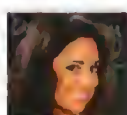

@TrinityStClair

I had done a huge transformation, and I was on there to surprise a fan.

@Gabriel_Lan

Oh really? Did you go on a date with this fan or anything, or just meet him? Was it a fun experience?

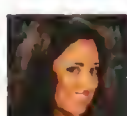

@TrinityStClair

I just met him. It was a great time and lots of fun.

@Gabriel_Lan

Being in porn requires a decent amount of travel. What do you think about when you hear crying babies on airplanes?

@TrinityStClair

Ugh. I am not a kid person in general. Every time one's on a plane, it makes me want to jump out of the plane in flight....

@Gabriel_Lan

With your sweet, innocent look, what kinda reactions do you get from people when they find out what you do for a living?
Interesting I bet.

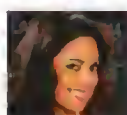

@TrinityStClair

Most people don't believe me at first, but that's the best part because then I get to describe how much I truly love what I do!

@Gabriel_Lan

Have you given any thought to what you might do after you quit shooting porn?

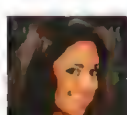

@TrinityStClair

No, not really. I don't plan on quitting...ever! LoL

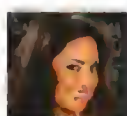

@Gabriel_Lan

For those that don't know, what is the difference between a "spinner" and "petite" in your estimation?

@TrinityStClair

Okay, this is something that pisses me off! A true spinner is a girl under 100 lbs. and under 5'2". Petite is just a small girl up to 120 lbs., I think.

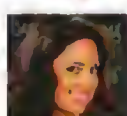

@TrinityStClair

I AM A TRUE SPINNER!!!

@Gabriel_Lan

I think that, much like myself, you have a nerdy side. What stimulates your inner nerd?

@TrinityStClair

I'm a web girl. I love researching just the most random shit! LoL

@Gabriel_Lan

Is there anything "Little T" enjoys more than a good licking?

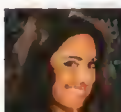

@TrinityStClair

I love vibration on my clit...and long dicks!!

@Gabriel_Lan

You mentioned once during a craving "What I wouldn't do for a Coke Zero!" LoL Just what WOULD you do for a Coke Zero???

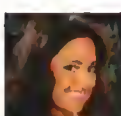

@TrinityStClair

I love my Coke Zero, so the sky is the limit!!!

@Gabriel_Lan

You've been in relationships with both sexes, right? Do you have a preference for relationships?

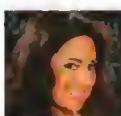

@TrinityStClair

That's not really fair. For me personally it's more based on the individual person I'm involved with.

@Gabriel_Lan

Suppose there was this 6' 2" Southern gentleman that wanted to get in your pants. What could...umm... "that guy" do to get you wet?

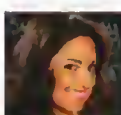

@TrinityStClair

Lick me good or be a great kisser!

@Gabriel_Lan

Think I'll go work on my "licking" and "kissing" skills now...and pick up a case of Coke Zero :-). Thank Big T, Little T, and Tiny T!

@TrinityStClair

It was our pleasure :-)

FOX TOP 25

Lots of magazines and websites publish lists of their "Hot" this or "Top" that, but who really goes to the fan himself and asks his opinion? Hell, FOX does, because we care about the common man! Once again we went to Twitter to seek out fans willing to share their personal "Top 25" and once again we discovered that you filthy perverts really have a diverse selection of favorites. A grand total of 378 different cocksuckers received votes. There was quite a bit of a shake-up in the rankings this time around too, as Lily Carter leaps from the #17 spot in the March poll all the way up to #1. The only rule voters were given was that the pornstar must be currently involved in shooting scenes in the porn industry. (For example: Phoenix Marie = Yes! Jenna Jameson = No!) Points were awarded as follows: 25 points for a 1st place vote, descending to 1 point for a 25th place vote, plus bonus points for number of appearances on separate lists. Here are the results:

- 1 LILY CARTER**
- 2 JADA STEVENS**
- 3 ASHLI ORION**
- 4 LEXI BELLE**
- 5 KRISTINA ROSE**
- 6 KAGNEY LINN KARTER**

LILY LABEAU & BRUNO

The ever-horny Lily LaBeau is pure lusciousness, from the tippiest top of her pretty head all the way down to her sweet little feet. Door-to-door salesman Bruno recognized this as soon as he laid eyes on her, and after smooth-talking his way into her living room he proceeded to devour her—toes-first. He made all the right moves, as Lily, above all, loves to be licked. A firm, probing tongue is the only key needed to unlock this tart's heart and twat. There is not a single part of her body she doesn't dig having sucked—tootsies, tittys, clitty and ass. Bruno made sure to put his mouth on them all, and as a result Lily allowed him to have her however which way he wanted. He stuck his cock down her throat, inside her cunt and between her dogs before giving her a pedicure a fresh coat of dork wax. 🐈

MELANIE
RIOS

Caliente Colombian cutie Melanie Rios has a taste for the finer things in life, which is no wonder as she can easily be counted among the finest tail to recently cum out of Pornland. She loves wearing big jewels and racy lingerie, and her favorite place to pleasure herself is laid out upon a generous scrap of plush fur. For although she keeps her own high-maintenance muff shaved completely bare, Melanie harbors a very deep appreciation for fuzziness as long as it's well placed. The luxurious feeling of some solo heavy petting while lolliing naked atop a pelt gives her the most ferocious orgasms imaginable. As she lounges she is tickled by tufts of softness, which heighten her skin's sensitivity until her entire body becomes one large, lovely erogenous zone. After that, Melanie easily enjoys O after O while exerting only the most minimal effort. Milk it, mamacita. 🐱

*"HotMovies is Absolutely Fantastic!
I have a very powerful internet
connection and I can stream high, ultra,
and mega and the picture quality is
super! It's excellent crystal clear clarity
and I don't get a single bit of buffering.
It's worth paying more money for a very
high-powered internet connection like
mine. I'm building up a large collection
of titles. The 160,000 titles are
mind-blowing. That is a monstrously
huge amount of titles, but with me having
a good paid job, I'm going to keep my
collection growing. I've got around 130
top titles to date, and my world class
hand jobs keep exploding the man cream.
What a great feeling that is! It's awesome!
Top respect to the HotMovies Empire!"*
